

FAMILY ATTRIBUTES

VAPOR

TAPERED FIT

VAPOR protective features a tapered fit profile, with a wider fit at the top and standard fit through the lower portion of the shin shell and elbow pad

LIGHTWEIGHT ACCELERATION

VAPOR

KEY TECHNOLOGIES

AEROLITE 2.0

AEROLITE 2.0

Bauer's proprietary technology, AEROLITE 2.0 increase protective properties in key impact zones and reduces overall weight

curv COMPOSITE

CURV COMPOSITE

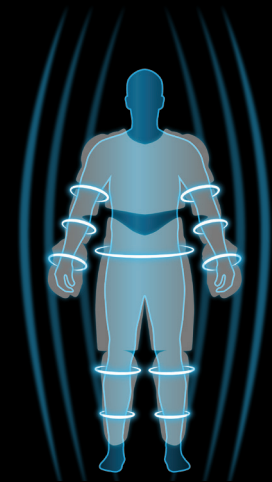

Increase protective property in key area while reducing weight

HYPERLITE HYPERLITE HD

HYPERLITE / HYPERLITE HD

Hyperlite provides full body coverage in a lightweight package that doesn't absorb sweat throughout the game while Hyperlite HD provide high Density protection in key areas.

NEXUS

CLASSIC FIT

Built off a classic fit platform, the NEXUS line provides a volume fit for ultimate coverage

FULL VOLUME COVERAGE

NEXUS

IX-FOAM PROTECTION

IX FOAM PROTECTION

Derived from our helmet research IX-FOAM protection units are use to increase energy absorption in keys areas of High Mass/Low velocity impacts

MDP SYSTEM

MDP SYSTEM

MDP System is a multi-density foam layering system, engineered to distribute and absorb impacts in a lightweight package

VENT ARMOR

Bauer proprietary Vent Armor foam technology redesigned to allow better air flow while increasing protection

VENTA:PRENE

VentaPrene

Strap that combine airflow and great comfort to get a secure fit on our Anchor strap

SUPREME

ANATOMICAL FIT

The SUPREME protective line provides a natural, close-to-the-body fit that helps players achieve maximum power with every movement

AMPLIFIED MOBILITY

SUPREME

POWERLITE

POWERLITE

POWERLITE technology is a lightweight moldable foam that contours to a player's body for a true anatomical fit.

curv COMPOSITE

CURV COMPOSITE

Increase protective property in key area while reducing weight

Xrd extreme impact protection

FLEXORB/PORON XRD

Combines the revolutionary technologies behind G-FORM® and XRD® Material to move with you and absorb energy in key areas on the knee joints, elbow joints and sternum area

VENT ARMOR

Lightweight and breathable protection

BAUER

2018 PROTECTIVE GUIDE

VAPOR / NEXUS / SUPREME / BAUER
